Louisiana State Board Certified Substance Abuse Counselor-Cert. # 586

National Board for Certified Counselors-Cert. # 24613

## **Administrative Experience**

NORTHWESTERN STATE UNIVERSITY, Natchitoches, Louisiana, 2006  
*Vice President for Student Affairs*. This position serves under the direction of the President and is assigned to the President's Cabinet. Responsibilities include oversight of Student Activities & Organizations, Student Services, Campus Community, and Wellness and Recreation. The Vice President articulates and models the division's student-centered philosophy, provides leadership, and oversees budgets. The Vice President also provides oversight of the SACS Reaffirmation Project.

NORTHWESTERN STATE UNIVERSITY, Natchitoches, Louisiana, 2005-2006  
*Acting Vice President of Student Affairs and Executive Director of Institutional Affairs*. This position serves under the direction of the President and is assigned to the President's Cabinet. Responsibilities include oversight of Student Activities & Organizations, Public Safety and Transportation, Student Services, and Campus Community. The Vice President articulates and models the division's student-centered philosophy, provides leadership, and oversees budgets. The Vice President also provides oversight of Planning and Assessment/EEO, Institutional Research, Information Systems, SACS Reaffirmation Project, and Enrollment Management.

NORTHWESTERN STATE UNIVERSITY, Natchitoches, Louisiana, 2002-2005. *Director of University Planning and Assessment / EEO Officer.* Responsibilities include under the direction of the President, the Office of Planning, Assessment & EEO assists in the development of the University Strategic Plan. This effort is conducted in coordination with assessment and budgeting activities. This office assists the President in the development of the University mission, vision, values, and goals and in seeking Board approval.

Northwestern State University is proud of its status of 100% accreditation of approved programs. For those programs with accrediting agencies, the Office of Planning, Assessment, and EEO provides assistance in accreditation activities and institution reporting obligations. For those units without accrediting agencies, the office serves as the facilitator of an internal self-study review process.

Develop and implement the NSU Affirmative Action Plan, update and integrate the EEO Policy on Discrimination, Retaliation, and Sexual Harassment to meet state and federal guidelines, monitor employment procedures, mediated faculty and staff concerns, process all EEO grievances and provide information for recruiting minority faculty.

Serving as the campus liaison for the 2007 SACS reaffirmation process, the staff designs, initiates, and conducts activities necessary to maintain accreditation status through the Southern Association for Colleges and Schools. These endeavors include data base development, website design, collaborative work efforts across campus, and Leadership Team membership for Northwestern State University.

Supervision of the Institutional Research staff in providing institutional data that informs the decision-making, planning, accreditation and evaluation processes of the university.

NORTHWESTERN STATE UNIVERSITY, Natchitoches, Louisiana, 1999-2002. *Chair, Department of Psychology.* Responsibilities include departmental budget, schedules, class schedules, and supervision and evaluation of faculty and students. The Chair is responsible for assuring the quality of instruction and representing the department in all official communications.

CANE RIVER ADOLESCENT HOSPITAL, Natchitoches, Louisiana, 1995-1996. *Clinical Director.* Responsibilities include designing, coordinating and supervising the psychiatric program. The Clinical Director is responsible for the direction and evaluation of the clinical aspects of patient care delivery within the program. The clinical director is responsible for assuring the continuity of care based on the patient's needs, the philosophy of the hospital, and proper training and supervision of the clinical staff.

BRADFORD ASSOCIATES, Bradford, Pennsylvania, 1990-1995. *Strategic planner and Total Quality Management consultant.* Responsibilities include strategic planning and quality management of educational institutions, health care institutions, business and industry; conducting interviews, retreats, and business meetings; developing individualized plans and training to meet the needs of specific institutions.

FAMILY PASSAGES, Olean, New York, 1989-1995. *Founder and private practitioner.* Responsibilities include administrative duties; supervision of therapists; individual and group therapy; performing assessment and evaluation for incoming clients; designing and implementing new programming; training therapists through workshops and in-service activities; consulting to local schools and counseling agencies.

CATTARAUGUS COUNTY COUNCIL ON ALCOHOLISM AND SUBSTANCE ABUSE, INC., Olean, New York, 1987-1989. *Family specialist.* Responsibilities included conducting individual, family and marital psychotherapy; performing assessment and evaluation for incoming clients; designing and implementing counseling groups; supervision of therapists involved in family program; providing group facilitation and training; training primary and secondary prevention education specialists in group skills, children of alcoholics, childhood sexual abuse, crisis intervention, and reporting procedures; served as a primary referral source to schools for high risk students.

### **Professional Experience**

RAPIDES FOUNDATION, Alexandria, Louisiana. Evaluation Team member, 2003. Served on a team of evaluators to assess the progress of a 3 year grant designated to assist in streamlining children's services with regard to the 9<sup>th</sup> Judicial court, mental health agencies, and substance abuse agencies.

NORTHWESTERN STATE UNIVERSITY, Natchitoches, Louisiana. *Assistant Professor of Clinical Psychology*, 1996-Present. Duties include teaching graduate and undergraduate level clinical psychology courses, advising freshmen and psychology majors, chairing graduate thesis committees, serving as faculty mentor to a graduate level interdisciplinary research team, and participating in service to the University.

Teaching and Supervisory Responsibilities include:

Intro to Psychology  
Tests and Measurement

Abnormal Behavior  
History and Systems

Behavior Modification  
Clinical and Community  
Clinical and Community Practicum
