

Thomas M. Hall, Jr.

Experiential Summary

- Higher education administration: leadership, planning, resourcing, assessment
- Higher education teaching: electrical engineering, electrical engineering technology, supervision, engineering economics, project management
- Communications and computer systems leadership and management, project management, US Army

Educational Attainment

- Ed.D., Educational Technology, Northwestern State University, 1999
- Engineer, Electrical Engineering, Stanford University, 1981
- M.S., Electrical Engineering, Stanford University, 1980
- M.B.A., University of Utah, 1977
- B.S., Engineering, United States Military Academy, 1969

Professional Experiences

- Professor and Department Head, Engineering Technology, Northwestern State University, July 2002 - present
- Associate Professor and Department Head, Engineering Technology, Northwestern State University, May 2000 – July 2002
- Associate Professor, Department of Engineering Technology, Northwestern State University, August 1995 – May 2000
- TRADOC System Manager, Battlefield Computers (Communications systems project management), US Army, Fort Gordon, GA, July 1992 – July 1995
- Liaison Officer for the Program Executive Officer, Command and Control Systems (Communications systems project management), US Army, June 1988 – June 1989
- Battalion Commander, 36th Signal Battalion (Strategic communications), US Army, June 1989 – June 1991
- Department of the Army System Coordinator (Communications systems project management), US Army, June 1987 – June 1988
- Instructor and Assistant Professor, Department of Electrical Engineering, United States Military Academy, July 1980 – July 1983
- Chair, Executive Board, Engineering Technology Council (ETC), American Society for Engineering Education (ASEE), 2008-present
- Member, Board of Directors, American Society for Engineering Education, 2008 – present
- Northwestern State University Representative to the Engineering Technology Council (ETC) of the American Society for Engineering Education (ASEE), 2003 – present
- Chair, Committee on Technology Accreditation Activities (CTAA) of the Institute of Electrical and Electronics Engineers (IEEE), 200 – present
- IEEE Program Evaluator, Technology Accreditation Commission (TAC), Accreditation Board for Engineering and Technology (ABET), 2002-present
- Production Editor, Journal of Engineering Technology – a technical publication of the Engineering Technology Division (ETD) of the American Society for Engineering Education (ASEE), 2007-present
- Immediate Past Chair, Electrical and Computer Engineering Technology Department Head's Association (ECETDH)—a national group within the Engineering Technology Division (ETD) of the American Society for Engineering Education (ASEE), 2006 – present

Professional Affiliations

- The Honor Society of Phi Kappa Phi
- Beta Gamma Sigma (Business honor society)
- American Society for Engineering Education
- Institute of Electrical and Electronics Engineers
- The Retired Officers' Association
