

Zafer Hatahet

Experiential Summary

- Higher education administration: program development, manage faculty and staff, budget management.
- Research laboratory administration: secure external funding, manage budgets and personnel, publish research outcomes.
- University teaching: train undergraduate, graduate and medical students.

Education Attainment

- Postdoctoral Fellowship, University of Vermont, 1990-1994.
Discipline: Microbiology and Molecular Genetics.
- Ph.D. McGill University, 1989.
Discipline: Biochemistry.
- M.S. University of Detroit, 1984.
Discipline: Biology.
- B.S. University of Detroit, 1983.
Discipline: Biology.

Professional Experiences

- Head, Department of Biological Sciences, Northwestern State University of Louisiana, July 2007 – Present.
- Professor, Department of Biological Sciences, Northwestern State University of Louisiana, July 2007 – Present; Associate Professor, August 2005 – June 2007.
- Associate Professor, Department of Biochemistry, University of Texas Health Science Center at Tyler, December 1998 – July 2005.
- Adjunct Associate Professor, Graduate Program in Biotechnology, Stephen F. Austin State University, March 2001 – July 2005.
- Research Assistant Professor, Department of Microbiology and Molecular Genetics, University of Vermont, January 1996 – November 1998; Research Associate, June 1994 – December 1995.

Professional/Scholarly Affiliations

- American Chemical Society,
- American Society for Biochemistry and Molecular Biology.
- American Society for Mass Spectrometry.
- American Society for Microbiology.
- Sigma Xi.
